

21. 11. 90.

Dear Mons^r de Schimmelpenninck
as regards the Exchange Treaty
— Will you be so kind as to let
me know whether a Dutch version of
the "Declaration of Exchange" of Ratification
is indispensable for its Signature,
or whether the English text wd.
be considered sufficient? I enclose
a copy of the document in draft.

If it must be translated, perhaps
you wd. take the necessary steps?
On hearing from you that it is ready
Lt. Sahasray would probably be able

to fix a day for the Exchange.
If the English text is sufficient, we
could prepare it in duplicate, and
time would be saved.

In haste,

Yours very truly
Charles B. Robinson.
