

Sep. 10.

My dear Baron Schimmelpenninck.

We shall have to put
in Lord Salisbury's full
title as I have written
it. Will you supply

The same for
yourself ^{in English} and the
Dutch equivalent for
both and then
I will get a

revise.

Yours very truly

Willoughby Maycock

When we get this
done & settled
we can then

transpose the columns
and put your Queen
first and ~~our~~
second in both texts
for your copy.
at least that is
the usual procedure
