Charles B Robertson Esq.
Superintendent of the
Treaty Department
F.O.

Dear Sir,

In reply to your letter
of Nov 21 last to Baron
Schimmelpenninck who is
absent on leave, I have the
honour to return herewith
the draft document enclosed
therein.

Unless the Declaration could
be drawn up in French, my
Government requires it to be
drawn up in both languages
English and Dutch, like the treaty
itself, and it will also be
necessary to put Holland
first in our copy, ~~in~~ as
shown in the Dutch text, with
which the English should correspond.

I hope you will now be able to have
the document prepared in duplicate
(with the necessary difference of course)
and remain

~~I hope you will be able~~
~~to have both documents prepared~~
~~with the necessary alterations~~
~~and remain etc~~
